SUMMARY

Passionate web developer with hands-on experience in front-end technologies like HTML, CSS, JavaScript, and React.js. Demonstrated ability to build responsive, dynamic web applications, with expertise in vendor management systems. Seeking a challenging role where I can apply my skills to create efficient, scalable web solutions in a dynamic work environment.

SKILLS

Front-End Development: HTML, CSS, JavaScript, Bootstrap, TailwindCSS, React.js

Back-End Development: Express.js, jQuery, MySQL, MongoDB (Mongoose)

Programming Languages: C++

Tools & Technologies: Git, Version Control,VSCode

PROFESSIONAL EXPERIENCE

Front-End Developer Intern   01/2024 – 03/2024
QuantaRock Systems PVT. LTD.
- Developed and maintained front-end features for Vendor Management Systems using HTML, CSS, and JavaScript.
- Improved user experience and system efficiency by reducing page load times by 15%.
- Collaborated with backend developers to integrate APIs, enhancing functionality and ensuring seamless data flow.
- Implemented responsive design principles, optimizing applications for various devices (desktop, mobile, and tablet).

PROJECTS

Vendor Management System
- Developed a comprehensive web application to streamline vendor-related operations, improve collaboration, and enhance business productivity.
- Enabled updating, archiving, and searching vendor profiles efficiently.Streamlined management of vendor contracts and purchase orders.

Dynamic Personal Portfolio Website
- Designed and developed a responsive portfolio website using React to showcase projects, skills, and experience.
- Implemented dynamic routing, interactive UI components, and seamless navigation. Integrated a custom dashboard for content management and optimized the website for performance and accessibility.

Weather App
- Built a responsive weather application using React that fetches real-time weather data through API integration.
- Features include current weather conditions, a 7-day forecast, and location-based data retrieval. Emphasized clean UI/UX design and responsive layout for optimal user experience across devices.

Social Media Dashboard
- Developed a responsive dashboard using React to display key social media analytics.
- Integrated APIs to fetch real-time data, implemented interactive charts with Chart.js, and added features like user authentication, date filters, and dark mode.

EDUCATION

Master of Computer Applications   2022 – 2024
Shri Govindram Seksaria Institute of Technology and Science, Indore
- 7.2 (CGPA)

Bachelor of Computer Applications   2019 – 2022
Balkavi Bairagee Mahavidhyalaya, Neemuch
- 77.73%
